

March 27, 2024

Dear Community Partner,

I am thrilled to announce that Opacum Land Trust will be partnering with Southbridge Credit Union once again for the **8th Annual Southbridge Credit Union Tour Opacum Bike Ride for Land Conservation!** This year's fundraising bike ride will take place on **Sunday, September 15, 2024**, at the Brimfield Winery. I am writing to invite you to promote your business while supporting a great organization through sponsorship of this exciting and growing event!

With four scenic route options through several of our conservation properties in Brimfield, Holland, Sturbridge, Brookfield, Monson, and surrounding towns, there is something for everyone from avid bike riders to families. Routes range from 10 to 100 miles, all on paved roads, with rest stops and support along the way. The fun continues into the afternoon with the Rapscaillion Brewery's after-party at Brimfield Winery complete with food, wine, craft beer, live music, games, and more!

Proceeds from this event will support Opacum Land Trust, a south-central Massachusetts regional land trust whose mission is to promote conservation, facilitate the creation of greenways and wildlife corridors, and protect the charm and rural character of our local communities. To date, Opacum Land Trust has conserved 3,852 acres of land and works in 13 local towns. Your support of this event directly supports your local community through conservation, education, and recreational opportunities right here in your neighborhood.

I urge you to take advantage of this great opportunity; your business will gain exposure while having a truly LOCAL impact. In partnering with Opacum, you will also be aligning yourself with the important and popular causes of environmental conservation and recreation- a win-win!

Thank you in advance for your support. Please feel free visit touropacum.org for additional event information or to reach out with any questions.

Sincerely,

Amy Adams,
Tour Opacum Event Coordinator
Development & Community Engagement Director
Opacum Land Trust - www.OpacumLT.org
PO Box 233, Sturbridge, MA 01566
Office: (508) 347-9144 - Cell: (413) 992-7422

Together, we are protecting local land, water, and wildlife for current and future generations.
